

COMPANY PROFILE

# Who we are

*Surreal Creations is a full-service event and venue management company located in Johannesburg. Surreal offers end to end event planning & management services, entertainment & special event coordination, high-quality activities, and event promotion.*

# *Our Team*

*Feziwe Nyengule- Director: Operations*

*Loyiso Nyengule- Director: Finance*

# Mission & Vision

## *Mission*

*The purpose of our business is to relieve you of the stress of organizing an event whether big or small with the aim of delivering creative and memorable events.*

## *Vision*

*To be the largest décor and event organizing company  
To offer our customers high quality service  
To be the best company to work for  
To give back to the community by creating employment*

# What we do

Our services are available throughout the country to help companies, organizations, families and event venues, present memorable events. We take care of your event from start to finish. We manage all that is required for your event, from making invitations and sending them out to setting up elegant décor and to serving delightfully appetizing food for the function.

October, two thousand eleven.
